Welcome...

Nestled in a tropical garden on Howard Park across from the West Palm Beach Armory Art Center, this historic 1925 property has been carefully restored to reflect the original Spanish Mediterranean architecture inspired by many famous architects in South Florida over the last century. The property has been transformed into one of the Palm Beach area's most intimate resorts with accommodations that are luxurious and yet homey, featuring private entrances and terraces facing towards the pool or gardens.

In addition to the B&B lodging, guests can also choose from 2 superbly renovated historic vacation rentals which are located adjacent to the Bed and Breakfast. These 2 and 3 bedroom vacation homes are ideal for families looking for spacious, fully furnished rentals with self catering kitchens.

Grandview Gardens Bed & Breakfast is ranked number one for hotels and bed and breakfasts in the West Palm Beach area on [Tripadvisor.com](http://Tripadvisor.com), one of the most popular consumer review websites on the internet.
